

Astraea LESBIAN FOUNDATION FOR JUSTICE
Funding Change and Strengthening Communities Around the World

**Call for Community Partners for Justice—
Support Astraea's important work with a sponsorship from your organization!**

Astraea Lesbian Foundation for Justice seeks support from Los Angeles' nonprofit community! Thursday, June 22, 2006 at 7pm, we'll present Astraea's **2nd Annual Los Angeles Spring Fever Benefit**, which will be held on at the LA Gay & Lesbian Center's Renberg Theater. The Astraea Lesbian Foundation for Justice works for social, racial, and economic justice in the U.S. and internationally. Our grantmaking and philanthropic advocacy programs help lesbians and allied communities challenge oppression and claim their human rights. Now, we're asking other community organizations to help Astraea spread the word about *Spring Fever II*, and to join us for a timeless opportunity to support social change for lesbians and allies around the world.

We hope your organization will support this year's Spring Fever Benefit now by becoming an Astraea Community Partner for Justice! All *Partners for Justice* will be listed in the benefit invitation, program, and Astraea's website. Please pledge your support by April 28, 2006 to include your organization in the Event Invitation. The latest date to be acknowledged in the Event Program is June 2, 2006.

At *Spring Fever II*, we're proud to present acclaimed jazz vocalist **Sweet Baby Jai**, plus very special performances by Adelina Anthony, Alison de la Cruz and more! Following the performances we'll host a fabulous after-party with DJ Sexy Claudette.
